

A Local Law Firm

At The Day Law Office the phrase, “Your Hometown Lawyers” is more than an advertising slogan. David and Sandra Day are lawyers who live and work in Hernando County, Florida.

The brick building where we have practiced law since 2000 was David’s father’s State Farm Insurance agency for 20 years. On the walls of our reception area, you will see plaques and pictures that show many ties to Hernando County and Spring Hill. The Day Law Office sponsors sports teams, donated a playground to the Hernando County YMCA, and corporate donors for People Helping People. Sandra has also served on the YMCA’s board of directors and P.H.S.C.’s Foundation board. She is currently a founding board member of My Career Closet, providing clothing to women who are re-entering the work force. Sandra has been awarded The Hernando County Pro Bono Attorney of the year award three times and recently was one of the few recipients of the Florida Bar Presidents Pro Bono Award. David serves on the Professionalism Committee for the Florida Bar.

We believe that being connected to the community where we practice law makes a difference in how we practice law. Our clients aren’t just case numbers to us, they are our friends and neighbors. We live here, practice here and are connected to our community.

Family Law

Family Law includes the areas of divorce, paternity, child custody, equitable distribution of assets and debts, child support and modifications of pre-existing orders.

Getting a divorce can be emotionally and physically draining. However, sometimes it is the right thing to do for your own personal happiness and sense of well being.

We are here to advocate on your behalf and get you through the litigation process, both professionally and compassionately. Our goal is to get you across the “abyss” and safely to the other side so that you have the opportunity to experience happiness, security, independence, and a sense of well being.

Mr. Day has been practicing in the area of family law for the last 19 years and has an excellent reputation in the legal community.
